### To the Kind Supporters of the PJ Schafer Memorial Golf Tournament,

The **6th Annual PJ Schafer Memorial Golf Tournament** was a rousing success. In the past 4 years we have raised over \$120,000 for research into heart disease at the Johns Hopkins Ciccarone Center for the Prevention of Heart Disease. Thank you for your generous support. We will continue to support the work of the Johns Hopkins Heart Institute in hopes of mitigating the pain and suffering that we have experienced.

The money that we raise will help to fund talented, young investigators to gain a better understanding of how to prevent sudden cardiac death and/ or premature heart disease. The most recent recipient of the PJ Schafer Memorial Research Grant was Dr. Rhondalyn McClean. We hope, that by supporting the fight against heart disease, others will not have to suffer as we have.

The **7th Annual PJ Schafer Memorial Golf Tournament** is in full swing, and now, you have an opportunity to get involved with this year's tournament. This year our tournament proceeds will benefit the Johns Hopkins Ciccarone Center for the Prevention of Heart Disease. The tournament will be held on **Thursday June 17, 2010** at the **Compass Pointe Golf Courses**.

As always, we have two ways to sign up for the tournament. You can use the attached tournament brochures as you have in the past, or you can use the website at <http://www.pjschafer.com>. If you wish to be a sponsor, simply use the website or check off the sponsorship that you desire and return the sponsorship page (from the brochure) to us to ensure your recognition at this year's tournament. If you attended the tournament in 2009, you can view and/or print any picture by clicking the link on our website <http://www.pjschafer.com>.

In addition, if you are a golfer and want to participate in the tournament, please fill out the registration form or use the website to register. We would like to thank you in advance for your thoughtful consideration of this matter. All sponsorships and donations are sincerely appreciated. We look forward to your help in making the **PJ Schafer Memorial Golf Tournament** an unqualified success in 2010!

Sincerely,

*Paul & Vivian Schafer*
